Please all come to the District Meeting on Sunday at noon with any Idea's you have for training that you would like to see the District help with. We will also be talking about the training we have coming up in April in Miller and July Training. It would be really nice to see a lot of District 4 members at the meeting to help make some decisions about what is coming up also talk about the 2011 State Conference in Aberdeen. Also we need to start working on any nominees for Service of the year, EMT of the year, Sue Schulmen's Award and any other awards.
No pre-registration needed come one come all.
